

## Appendix 2d – Price list Customs price 2023

Type of Service:	Price GC customer	Price GC customer not during office hours	Explanatory text
Administration fee Customs handling - customer has his own customs agent - no service purchased by GC	10 EUR per wagon 30 EUR per train	Charged with a supplement of 70% Monday - Friday and 100% Saturday - Sunday and public holidays	Green Cargo always charges an administrative fee for cross-border transport. If the customer bought customs services from us, this fee is included in the other prices. If the customer has not purchased customs services (has his own customs agent), we charge this fee. This is because we have an administrative handling even if the customer has its own customs agent.
Import / Direct Customs clearance - goods into the EU	25 EUR	See above	Direct customs clearance / Standard import declaration - if the customer wants their goods to be marketable immediately after border crossing. The customs declaration must be submitted and approved before the border crossing (must be received by Green Cargo no later than 2 hours before the border crossing). Transit is completed through direct customs / clearance.
Export – goods out of the EU	25 EUR	See above	Export accompanying document EAD must always accompany the product until it leaves the EU. Export declaration must then always be made before transport begins. Swedish export - if the customer has export flow to countries outside the EU. For direct import, the export and exportation takes place in Sweden, ending of transit is included. In the case of indirect exports, the export take place in Sweden but exportated to another EU country.
Norwegian Export (tvinn) -Goods from Norge	25 EUR	See above	Norwegian export / Tvinn - required if the customer has export flow from Norway regardless of recipient country.
Simplified declaration (Hemtagning) SE/NO STEP 1	20 EUR	See above	If the customer has flows and is in need of faster handling than a regular declaration, we can offer this service. The customer then does not need all the documentation required for a standard declaration during transport. However, permission from the Swedish Customs is required for this and also a payment deferral. The product must remain untouched until it is cleared through customs. To SE (EU C in the export declaration)

Supplementary declaration SE STEP 2	25 EUR	See above	The product must be cleared through customs no later than 10 days after performing the above (but must be received by Green Cargo 5 days before). For the supplementary declaration, all documentation is required in the same way as a regular declaration. The importer is responsible for ensuring that the product is cleared through customs before it is used.
Transit start from SE/EU-country	30 EUR	See above	All goods (to / from the EU) that travel by rail across a border crossing must be transited. The goods may cross the border but are not customs cleared. After border crossing, the transit must be completed by the receiving customs office in order to be negotiable.
Advance notification of goods to NO	Included		Must take place during transit in connection with border crossing and is a message to the Norwegian Customs that wagons must cross the border.
Transit start from NO	37,50 EUR	See above	All goods traveling by rail across a border crossing can be transited if there are no imports. The goods may cross the border but are not cleared through customs. After border crossing, the transit must be completed by the receiving customs office in order to be marketable.
Arrival notification / Clearance request to SE when Green Cargo Customs	Included		Is a message to the Swedish Customs that wagons have crossed the border. Clearance includes: closing of import, transit and closing of export. The goods are then marketable.
Arrival notification / Clearance request to SE when other agent Customs	Included		Is a message to the Swedish Customs that wagons have crossed the border. Clearance includes: closing of import, transit and closing of export. The goods are then marketable.
Tollpassfraktbrev/ Arrival notification (going on to other customs warehouse). NO STEP 2	32,50 EUR	See above	The goods must be cleared through customs no later than 10 days after arrival in Norway. For the supplementary declaration, all documentation is required in the same way as a regular import declaration. The importer's responsibility that the product is cleared through customs before it is used. Arrival notification is a message to the person who clears customs, that goods are in customs warehouse - ready to be cleared through customs and traded.
Application for post-clearance	2 00 EUR	See above	Handling in Norway if illegal importation has taken place. Only after the application is approved is the product marketable.
EMCS (excise goods)	30 EUR	See above	A tax deferral system for excise goods. Notification is made directly in the Swedish Customs' system. Used when moving alcohol, tobacco & fuel.

End of export DE	25 EUR	See above	Indirect exports must be export confirmed. Proof of this is delivered by the Customs Representative to the Swedish Customs once a month.
License application	80 EUR	-	If the customer wants help with applying for a license to bring in certain goods that are licensed. Needed for certain specific goods, contact Customs Officer at Green Cargo for more info.
EUR1	35 EUR		
Consultation customs freight forwarder	80 EUR	-	Refers to issues of a customs-related nature. A support case must be of the nature that a customs freight forwarder can produce the correct information without much difficulty.
Consultation customs specialist	1 25 EUR	-	Refers to more in-depth work efforts and knowledge from LC's side. Each service that involves additional debiting must be agreed in writing on each occasion and ordered by the Customs Officer at GC.
Payment intermediation (our customs credit). Re-invoiced	+5% minimum 15 EUR	-	If the customer does not have a customs credit / deferral of payment with the Swedish Customs (which is required if the customer is to make customs papers themselves), Green Cargo can act as guarantor.
