Malmö, Sweden - Antwerp, Belgium in 21 hours

Belgium Direct offers you fast, reliable and environmentally friendly transport of Wagon Loads and Intermodal units between Scandinavia and western Europe.

In the co-production with LINEAS we offer three departures (round-trips) per week between Malmö and Antwerp.

In Malmö you get access to Green Cargo Scandinavian Network and to LINEAS Green Xpress Network.

We can also help you reach hundreds of additional destinations for further transportation in Europe.

Benefits

- 21 hours transportation time Malmö-Antwerp
- 3 departures in both directions every week
- For both Wagon Loads and Intermodal units
- For all quantities, from one intermodal unit to one wagon or a wagon groups
- CO₂-emissions reduced by 70 % compared to road transport

Belgium Direct makes your transportation

More reliable

Belgium Direct gives a stable transit time with three departures per week from both directions. Your goods are received in the evening and you have an early pick-up time the following day.

Faster

Direct trains between Malmö and Antwerp. Without any stops this makes us the fastest railroad partner on this route.

More climate efficient

CO₂-emission reduction by 70 % compared with road freight for the same distance. One direct line is equivalent to 30 trucks one way reducing congestion on roads and environmental impact.
